# NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNT POLICIES

#### 1. Significant accounting policies

Financial reporting framework

The Association is not a reporting entity because in the opinion of the Members of the Board there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this 'special purpose financial report' has been prepared to satisfy the directors' reporting requirements under the Association's constitution and the Associations Incorporation Act 1964.

Basis of preparation

The financial report has been prepared on the basis of historical cost, except where stated, current valuations of non-current assets are not taken into account. The accruals basis of accounting is adopted by the Association. Cost is based on fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated. The Association does not comply with Australian Accounting Standards and the financial statements have been prepared based on the following accounting policies.

#### **Accounting policies**

#### (a) Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand and cash in banks.

#### (b) Trade and other receivables

Trade and other receivables are recorded at amortised cost less any impairment.

#### (c) Property, plant and equipment

Furniture, equipment and motor vehicles are recorded initially at cost. Subsequent to initial measurement they are depreciated using the diminishing value method as follows:

Furniture: 10% to 25% Computer equipment: 40% Motor vehicles: 23%

#### (d) Trade and other payables

Trade and other payables are recognised when the Association becomes obliged to make future payments resulting from the purchase of goods or services.

#### (e) Deferred Grants

Deferred grants represent revenue from funding bodies which is deferred for expenditure in the future periods. This occurs either when the conditions relating to the grant have not been met or they grant has been underspent and is either carried forward or repayable to the funder.

(f) Employee benefits

Provision is made in respect of the Association's liability for annual leave and long service leave at balance date. Annual leave is recognised on the basis that it is expected to be settled within 12 months and is measured at nominal values using the remuneration rate for the year. Long service leave is recognised on a nominal basis using the remuneration rate for the year and is based on the probability of employees obtaining the leave. Provision is made for sick leave only in respect of staff likely to be replaced when absent.

#### (g) Income tax

The Association is exempt from paying income tax.

(h) Government grants

Government grants are assistance by the government in the form of transfer of resources to the Association in return for past or future compliance with certain conditions relating to operating activities of the Association. Government grants include government assistance where there are no conditions specifically relating to the operating activities of the Association other than the requirement to operate in certain sectors.

(i) Revenue recognition

Revenue, other than from government grants, is recognised once earned and is matched to any related expenses incurred. Grants are recognised initially as liabilities until all of the conditions attached to the grant have been met.

(j) Economic dependency

The financial statements have been prepared on a going concern basis. The continuity of the operations of the association depends upon continuing grant funding from the government and its ability to generate sufficient revenue from non-government funding activities.

#### **INDEPENDENT AUDITOR'S REPORT**

To the members of Volunteering Tasmania Inc.

We have audited the accompanying financial report, being a special purpose report, of Volunteering Tasmania Inc., which comprises the statement of financial position as at 30 June 2015, the statement of financial performance for the year then ended, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the officers' assertion statement.

#### Officers' Responsibility for the Financial Report

The officers of Volunteering Tasmania Inc., are responsible for the preparation of the financial report, and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the *Associations Incorporated Act 1964* and is appropriate to meet the needs of the members. The officers' responsibility also includes such internal control as the officers determine is necessary to enable the preparation of a financial report that is free from material misstatement, whether due to fraud or error.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We have conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the officers, as well as evaluating the overall presentation of the financial report.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial report presents fairly, in all material respects, the financial position of Volunteering Tasmania Inc., as at 30 June 2015 and of its

financial performance and its cash flows for the year then ended in accordance with the Associations Incorporated Act (1964).

#### **Basis of Accounting and Restriction on Distribution**

Without modifying our opinion, we draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the officers financial reporting requirements under the Associations Incorporation Act 1964 and as such may be unsuitable for another purpose.

The officers have determined that the financial report shall be prepared in accordance with a special purpose framework. As a result, the financial report may not be suitable for another purpose as only the accounting standards specifically stated in note 1 to the accounts have been applied in the preparation of this special purpose financial report.

As such, this report should not be distributed or used by parties other than Volunteering Tasmania Inc., and its members.
