

Our Statement of Commitment to Child and Youth Safety

As guided by our values, we cultivate environments of physically, mentally and culturally safe and empowered community participation throughout Lutruwita/Tasmania for all children and young people.

Inclusion:

We champion the active participation of all children and young people in decisions about their volunteering and value their contribution to shaping inclusive practices.

Integrity:

We are dedicated to embedding child safety and wellbeing into every part of our leadership, governance, and culture. We are a values-driven team, and participate in regular training to ensure we uphold these values with accountability. Our commitment to learning and our ways of working equip us to lead the volunteering industry in purposefully creating safe and nurturing environments for children and young people.

Connection:

We proactively promote child safety and wellbeing within volunteering, providing leadership and access to best practice resources, training and collaborations. We intentionally create safe physical and online environments for connection and engagement, and reduce opportunity for harm.
